## DIRECTOR'S MESSAGE

### Championships

Sweet job at Madison. One mark of a great band is to still come out on top when you don't have your best performance. There were highlights in our performance. These will be pointed out on the video in class today.

Championships will be very exciting. There are 29 bands our own size competing in preliminaries. The top 10 bands perform again Saturday night in Finals. The past two years we have placed 6th in prelims. We stand a good chance of improving that this year.

### Friends & Family Night

Our final hometown performance is planned for November 2 at 6:00p. The band will perform on the game field in full

dress. The Band Boosters are preparing a celebration meal and there will be a special video presented.

### Overnight Considerations

You may bring an overnight bag, but please pack light. Three meals will be provided for \$4. (We will go back in price next fall, but this is the most food to be prepared all season.) We are staying at Hampton Inn Huber Heights (937-233-4300). Students will be secure in their rooms with overnight supervision.

### Band Boosters

The next Band Booster meeting is **Monday, November 12** at 7:00p at CCHS.

### Pit Crew

Thanks so much pit crew. We have had successful setups this season and always with time to spare. Please send any suggestions

### Cheerblock

Parents in the stands are just as important as parents carting percussion equipment and backdrops.. **Please consider car pooling to cheer for the kids!!!**

### Food

A meal will provided on the road and snacks will be provided for \$4. This weekend (3) meals will be provided for \$4.
