## DIRECTOR'S MESSAGE

### Band Boosters

The next Band Booster meeting is Monday, September 10 at 7:00p at CCHS. Please plan on attending this important first meeting of the year. Mr. Goewert plans to be in attendance and will speak to the group.

### Help Needed

Help is needed in painting backdrop for our show. We will use 10 4x8 backdrops hinged together in pairs. Each backdrop is in need of being primed and painted before Friday's game. We will use them plain green on Friday. The following week Mrs. Banks will be drawing some trees on them for student to "color" in with paint. Please contact me asap if you can help.

### Pit Crew

Anyone who plans to assist with pit crew at contests is encouraged to help at the game Friday. I would like to use the Belmont game as a practice run for a complete setup including backdrops, electronics and mics. We will iron out any kinks and have a dress rehearsal setup at the Homestead game. We will be a fine tuned setup machine by the Goshen Invitational!

### Baby News

Ainsley Elizabeth Lyn Criss arrived Monday morning at 7:26a weighing 8lb 4oz and 21 inches long. She really likes to eat....a lot. Rochelle is doing as well as expected after a C-section. Some pain persists but she is improving.
